Winnipeg Holistic Expressive Arts Therapy Institute

Miyo pimâtsiwin
Indigenous Art Therapists share the power of Art Therapy

Limited number of seats available for non-Indigenous participants

Using art, story, ceremony and language to:
- Revitalize Indigenous knowledge and communities
- Honour our gifts
- Sustain lifelong practice as a helper
- Protect and reconnect to Mother Earth
- Learn trauma-informed, strength-oriented perspectives
- Restore harmony with All Our Relations

Email now for program updates!
Or book an individual consultation, community visit, or PD event to learn more.
